Journal of Periodontics and Implant Dentistry

Authorship & Conflicts of Interest Statement

Manuscript title	Manu	script	title
------------------	------	--------	-------

Authorship

All listed authors should have substantial contributions to the research project and preparation of the manuscript and confirm this submitted material or relevant details has not been published or disclosed prior to submission. These materials will not be submitted to any other journal before the decision of the editorial board. In the table below, please specify contributions made by each author (list the authors' initials followed by their surnames, e.g., A.B. Chen). A check mark (v) must appear against the name of each author at least once in each of the three categories below. (If the number of the authors exceeds 6, please list on a separate sheet)

Author name	Conception and	Acquisition of data	Data analysis and/or	Drafting of manuscript	Approval of final
	design of study	(laboratory or clinical)	interpretation	and/or critical revision	version of manuscript
Example : A.B. Chen	ν		ν	ν	ν

Acknowledgments

Acknowledgements should list all the sources of grant and funding for the research project, organization, and all persons who have made substantive contributions (e.g., technical help, writing and editing assistance, general support) but not meet the criteria for authorship.

Conflicts of Interest

A conflict of interest defined as the potential conflict between personal interest and official responsibility which may be potentially compromised by a desire for financial gain, prominence, professional advancement or a successful outcome (not sure if we should include the details). In order to ensure the quality of the publications, all listed authors are requested to disclose all potential conflicts of interest.

Section I

All listed authors hereby certify that they have NO affiliations with or involvement in any organization or entity with any financial interest (such as honoraria; educational grants; participation in speakers' bureaus; membership, employment, consultancies, stock ownership, or other equity interest; and expert testimony or patent-licensing arrangements), or non-financial interest (such as personal or professional relationships, affiliations, knowledge or beliefs) in the subject matter or materials discussed in this manuscript.					
Author names:
